[ ] Comment. [ ] cooperation between Inner and Outer Mongolian military units in Korea. Although [ ] described the status of the listed Mongols as "exchange students" [ ] failed to indicate that any students from the Mongolian People's Republic went to Inner Mongolia, and [ ] would appear to indicate that [ ] doubts that the arrangement is reciprocal. [ ] five students had been sent, but gave only the four names listed above. It is possible that the first should be divided into two names; however, the name Ertenibolag, which it resembles, has been received as a single name.
